Board of Education

Left to right: Mr. Donald Howard, Secretary; Mr. Donald Weingart; Mr. Vale Adams, President; Mr. Carl Neiss; Mr. Arthur Stilling; Mr. Robert Beckenbaugh; Mr. George M. Freund.

McHenry Community High is deeply appreciative of the wonderful work done by the School Board. They are largely responsible for the majority of benefits which have made our school a great educational system. These men devote their time for the welfare of the students and community, and they are constantly striving for improvements and additions to our school. We are conscious of their devotion, and we would like to thank them for their efforts.

Dedication

We, the Class of 1963, dedicate our yearbook to the person who so freely gives his assistance to any student who requires it. He has promoted a great deal of interest in the students toward our nation and the whole world. A man so well informed is a constant credit to his country.

To you, Mr. Swantz, we dedicate our yearbook.

New Additions to Our School

FOREIGN EXCHANGE STUDENT

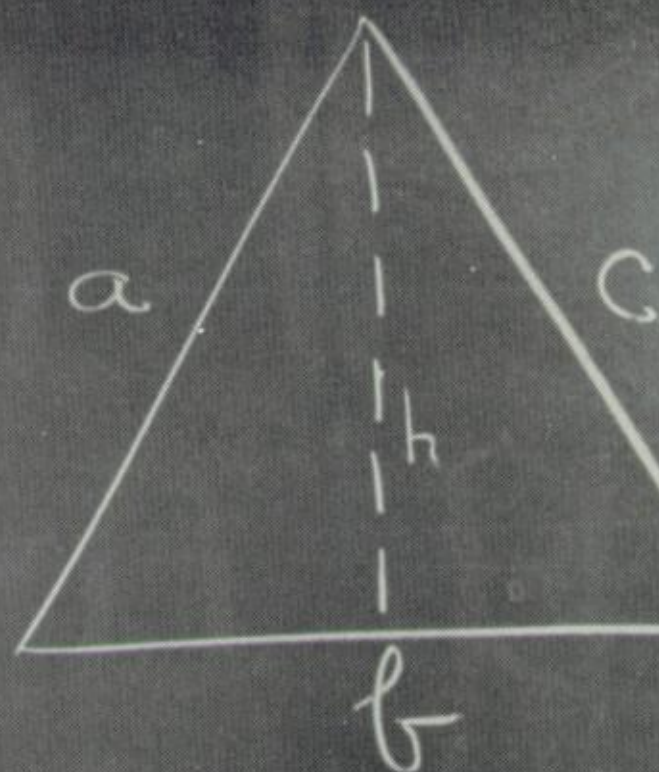

This year our school has had its first foreign exchange student, Carlos Ribas from Argentina. He is pictured here at the console of the language laboratory, where he is constantly working as an assistant. Carlos is certainly a wonderful asset to our school and we will all miss him when he returns home.

LANGUAGE LABORATORY

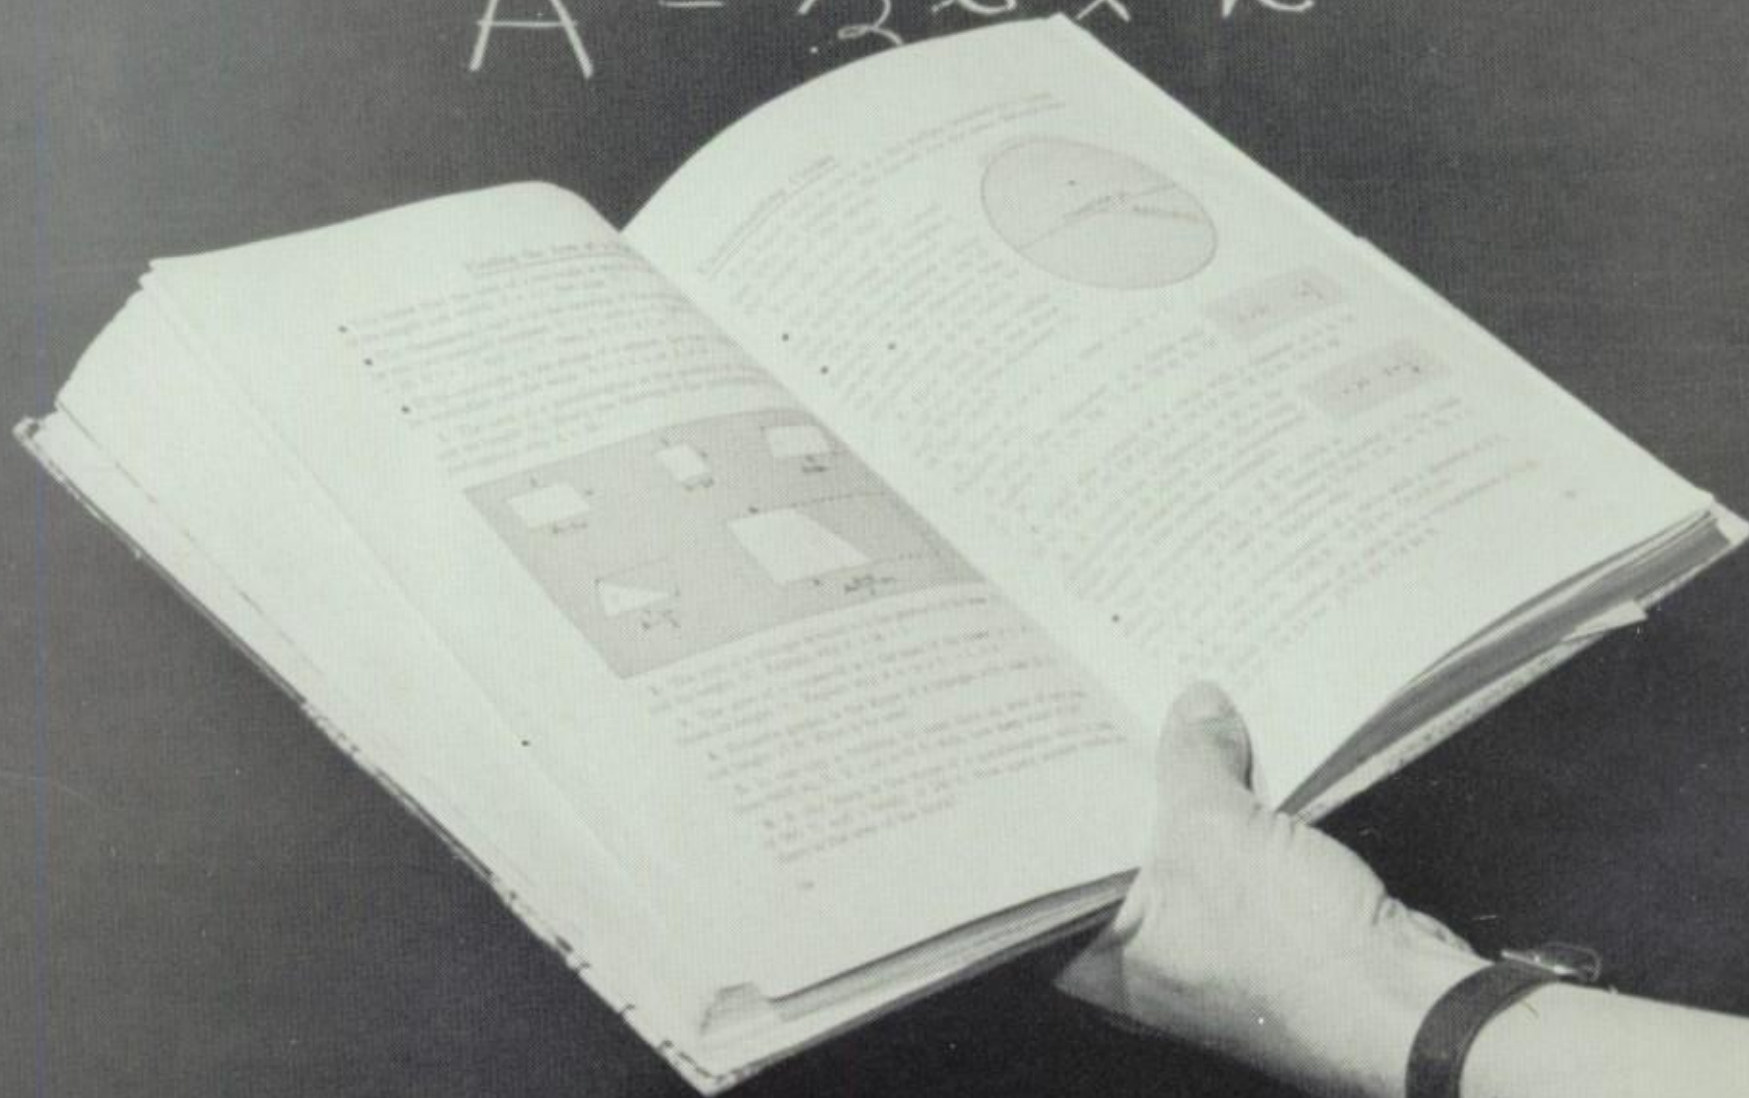

Also a new addition to our school is the language laboratory. Pictured here is Miss Taylor who was instrumental in obtaining this system for the benefit of all language students. She has set the operation going and with the help of her assistants, is able to give classroom and individual practice at the same time.

Miss Taylor has given a great deal of time and effort in order to advance the language department and the method of instruction. Her effort is greatly appreciated.
